

# RUBBER ARM REST COVER

(2021+ BRONCO)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

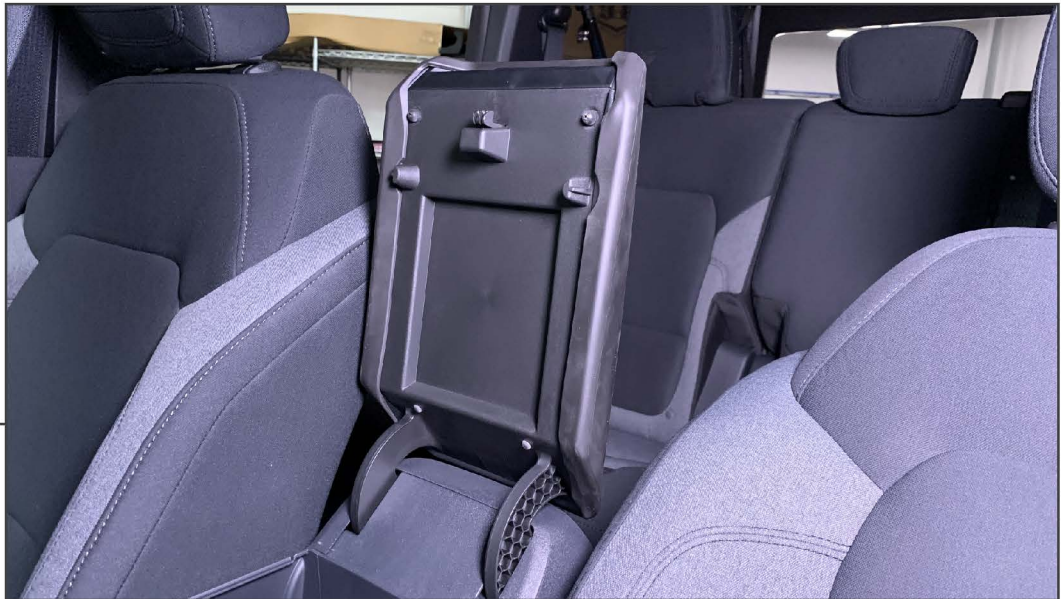

---

(1) Arm Rest Cover

### TOOLS REQUIRED

---

Heat Gun (Optional)

**STEP 1**

Open the center console lid. Align the center console cover to the lid, and stretch the sides of the cover around towards the inside of the lid.

Note: Using a heat gun to heat the rubber may be necessary to ease stretching process.

**STEP 2**

Installation is now complete.
