

# CARGO PET MAT

(2021+ BRONCO - 4 DOOR)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

---

(1) Cargo Pet Mat

### TOOLS REQUIRED

---

Isopropyl Alcohol  
Microfiber Cloth

**STEP 1**

Place the cargo pet mat into the vehicle cargo area. Route the (3) straps towards the vehicle rear seat headrests. Center the mat, and loosely secure the straps around the headrests.

**STEP 2**

Using isopropyl alcohol and a microfiber cloth, clean the cargo area interior panels at the indicated areas. Repeat this step for the opposite side interior panels. Allow the panels to fully dry.

**STEP 3**

Peel the tape backing from the Velcro strips attached to the cargo pet mat. Firmly press the cargo pet mat to the interior panel to adhere the tape. Repeat this step for the opposite side interior panels.

**STEP 4**

Unfold the cargo pet mat to protect the vehicle. To store, fold the bumper cover portion into the vehicle, and close tailgate.

Installation is now complete.
