

DASH ORGANIZER WITH PHONE HOLDER

(2021-2022+ BRONCO)

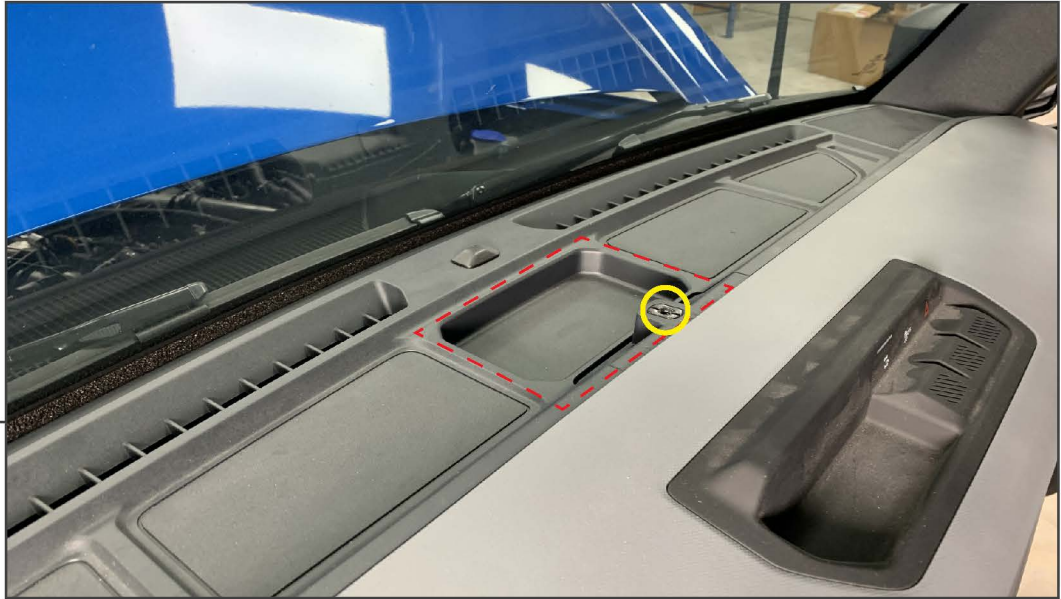

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Dash Organizer
- (1) Phone Clamp
- (1) Phone Mount Post
- (1) 1/4-20 Allen Bolt
- (1) Allen Key

TOOLS REQUIRED

- 4mm Allen Key (Provided)

STEP 1

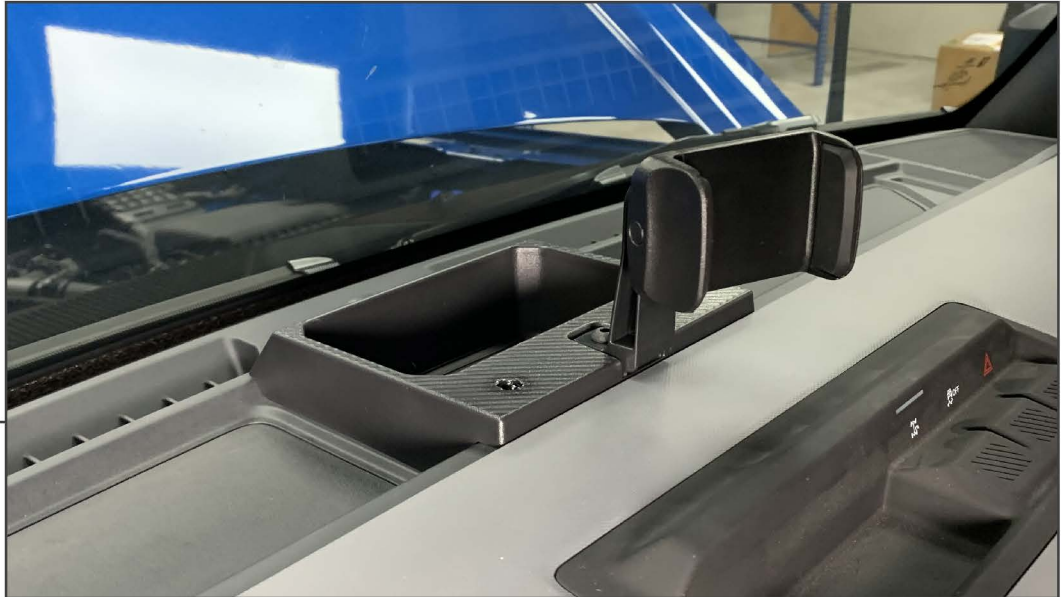

Clean the center dashboard cutout of all contents. Locate the (1) bolt hole in the dashboard.

STEP 2

Place the storage organizer into the dashboard cutout. With the phone mounting post in place, secure the organizer and the post to the vehicle using (1) 1/4-20 Allen bolt. Tighten until secure.

STEP 3

Install the phone clamp nut onto the post, then clip the clamp onto the post assembly. Secure the clamp using the previously placed nut. Tighten the phone clamp while having the clamp angled at the final resting position.

STEP 4

The organizer can be used with other accessories utilizing the side (2) 1/4-20 threaded bolt holes. Installation is now complete.
