

REAR DOOR STORAGE BOXES

(2021+ BRONCO - 4 DOOR)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) LH Rear Storage Box
- (1) RH Rear Storage Box
- (8) Self Tapping Screws

TOOLS REQUIRED

- Phillips Bit
- Drill

STEP 1

Open the rear door, and locate the door panel netting. Align the appropriate storage box to the vehicle to familiarize fitment.

STEP 2

Using the storage box as a template, secure the storage box using (4) self tapping screws. Tighten until secure.

Repeat steps 1-2 to the opposite side of the vehicle. Installation is now complete.
