

CENTER CONSOLE STORAGE SEPARATOR

(2021-2022+ BRONCO)

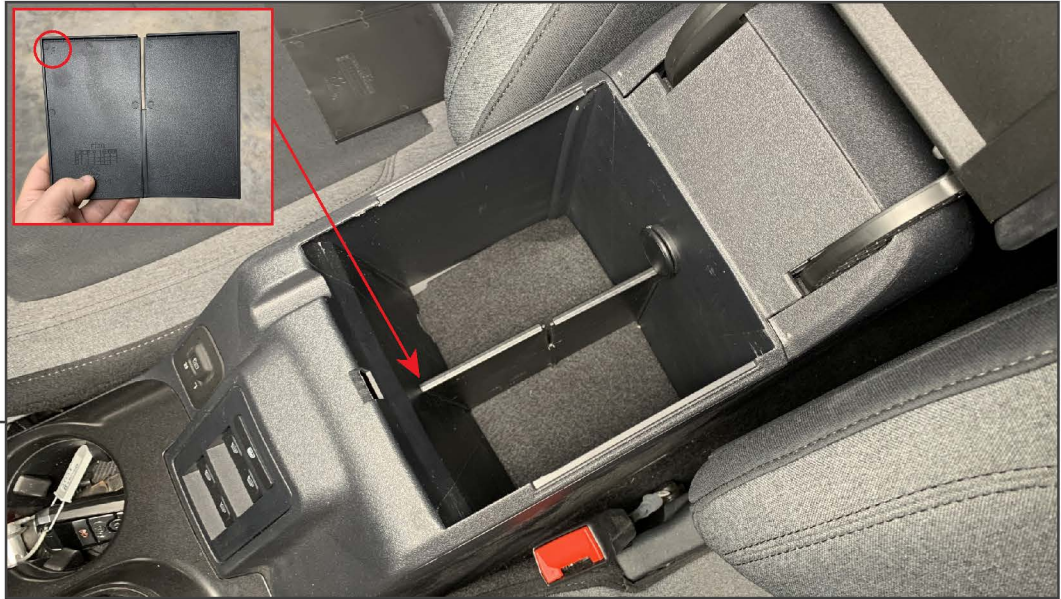

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Vertical Panel
(1) Horizontal Panel

TOOLS REQUIRED

N/A

STEP 1

Open the center console and remove all contents. Locate the embossed locator [F], the locator must face the front of the vehicle. Install the (1) vertical panel into the center console.

STEP 2

Locate the embossed locator [L] and [R], the [L] must face the driver side of the vehicle, while the [R] must face the passenger side of the vehicle. Install the (1) horizontal panel into the center console.

Installation is now complete.
