

# DASH STORAGE ORGANIZER WITH PHONE HOLDER

(2021-2022+ BRONCO)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

---

- (1) Storage Organizer
- (3) Silicone Pads
- (1) Mounting Arm
- (1) Phone Holder
- (1) 1/4 - 20 Allen Bolt
- (1) 4mm Allen Key

### TOOLS REQUIRED

---

- 4mm Allen Key (Provided)
- Isopropyl Alcohol
- Microfiber Cloth

## STEP 1

Clean the highlighted areas of the vehicle dashboard using isopropyl alcohol and a microfiber cloth. Allow to fully dry.

## STEP 2

Peel the double sided tape backing from the bottom side of the organizer. Place the organizer onto the center dashboard storage area.

## STEP 3

Align the (1) mounting arm to the front of the organizer, and secure the mounting arm into place using the provided (1) 1/4 - 20 Allen bolt. Tighten the bolt until secure.

## STEP 4

Place the phone holder plastic nut onto the mounting arm ball flange. Then, place the phone holder onto the ball flange. Thread the plastic nut onto the phone holder to secure the phone holder into place once in the final position.

---

## STEP 5

Install the (3) silicone pads into the organizer pockets.

Installation is now complete.
