INSTALLATION INSTRUCTIONS

CONTENTS

- (1) LH Mirror Cover
- (1) RH Mirror Cover
- (2) Adhesion Promoter Pads

TOOLS REQUIRED

N/A

STEP 1

Clean the vehicle mirror using adhesion promoter, and allow to fully dry. Test fit the mirror cover before peeling the tape backing to familiarize fitment. Once test fitted, peel the red tape backing from the mirror cover.

STEP 2

Place the mirror cover onto the vehicle mirror, and firmly press the mirror cover onto the mirror to ensure proper adhesion.

Repeat steps 1-2 to the remaining mirror cover. Installation is now complete.
