

CENTER CONSOLE STORAGE BAG

(2021-2023+ BRONCO)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Storage Bag

TOOLS REQUIRED

T-30 Torx Socket
Ratchet

STEP 1

Remove (2) T-30 Torx bolts from the center console grab handle.

STEP 2

Remove the grab handle from the center console. Align the storage bag holes to the grab handle alignment and bolt holes. Once aligned, place the grab handle to the vehicle and secure using the (2) original T-30 Torx bolts.

Installation is now complete.
