

FRONT LICENSE PLATE BRACKET

(2021-2023+ BRONCO - WITH MODULAR FRONT BUMPER)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Front License Plate Bracket

TOOLS REQUIRED

T-40 Torx Socket
Ratchet

STEP 1

Remove (2) T-40 Torx bolts in the middle of the vehicle Modular front bumper.

STEP 2

Align the license plate bracket to the bumper, and secure into place using the original (2) T-40 Torx bolts. Tighten the hardware until secure.

Installation is now complete.
