

CENTER CONSOLE COVER

(2021-2023 BRONCO)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Center Console Armrest
Cover

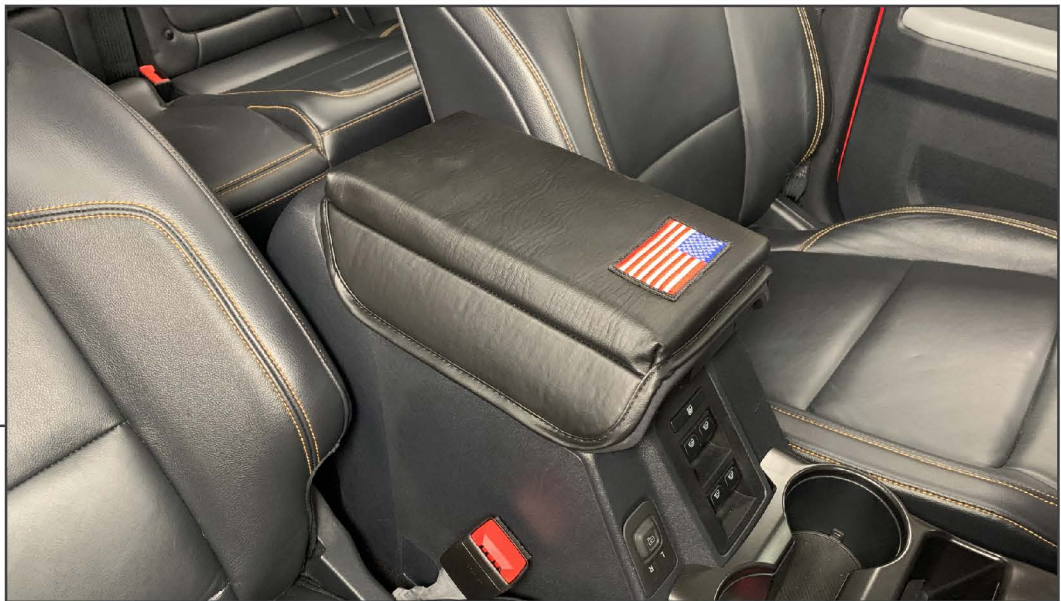

TOOLS REQUIRED

Interior Detailer (Optional)
Microfiber Cloth (Optional)

STEP 1

Clean the vehicle center console lid using interior detailer, if desired. Then, open the center console lid. Stretch the elastic bands on the cover over the bottom-side of the center console lid. Slide the cover fully down the length of the center console lid.

STEP 2

Adjust the cover to evenly fit the center console lid. Once adjusted, close the center console lid.

Installation is now complete.
