

CENTER CONSOLE STORAGE BAG

(2021-2023+ BRONCO)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Storage Bag

TOOLS REQUIRED

T-30 Torx Socket
Ratchet

STEP 1

Remove (2) T-30 Torx bolts from the center console accessory mount. Remove the accessory mount from the vehicle.

STEP 2

Place the storage bag onto the accessory mount. Ensure the storage bag pocket opening is facing away from the accessory mount.

STEP 3

Install the accessory mount with the storage bag to the vehicle, and secure into place using the original (2) T-30 Torx bolts. Tighten the hardware until secure, do not over-tighten.

STEP 4

Installation is now complete.
