

# TAILGATE HINGE FLAG POLE BRACKET

(2021-2023+ BRONCO)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

---

- (2) Tailgate Mounting Bracket Blocks
- (1) Flag Holder Upper Mounting Bracket with Antenna Mount
- (1) Flag Holder Lower Mounting Bracket
- (2) M8 Allen Bolts
- (4) M6 Allen Bolts
- (1) 5mm Allen Key
- (1) 4mm Allen Key

### TOOLS REQUIRED

---

- T-45 Torx Socket
- Ratchet
- 4mm, 5mm Allen Key (Provided)

## STEP 1

Remove (2) T-45 Torx bolts from the vehicle tailgate.

Note: Depending on preference, the flag pole can be mounted onto the inner or outer bolts.

## STEP 2

Align the (2) tailgate mounting bracket blocks to the vehicle bolt holes, and secure each bracket using (1) M8 Allen bolt. Ensure the brackets are straight, and tighten into place.

## STEP 3

Align the flag pole with the upper and lower mounting brackets installed, and secure the brackets to the bracket blocks using (2) M6 Allen bolts per bracket.

Note: Ensure the antenna bracket is at the top of the flag pole.

## STEP 4

Insert the desired flag, and tighten the top hand screw to secure into place.

Installation is now complete.
