

CARGO AREA INFLATABLE MATTRESS

(2021-2023+ BRONCO - 4 DOOR)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Mattress
- (1) Air Pump
- (2) Patches

TOOLS REQUIRED

N/A

STEP 1

Fold the rear seats downwards inside the vehicle. Fit the mattress into the vehicle, ensuring the mattress is the correct orientation.

STEP 2

Using the correct fitting, fill each section of the air mattress with air using the included air pump. The vehicle must be powered on/running to power the rear outlet for pump functionality. Fill the mattress to desired firmness.

Installation is now complete.
