

REAR DOOR STORAGE BOX

(2021-2023+ BRONCO - 4 DOOR)

INSTALLATION INSTRUCTIONS

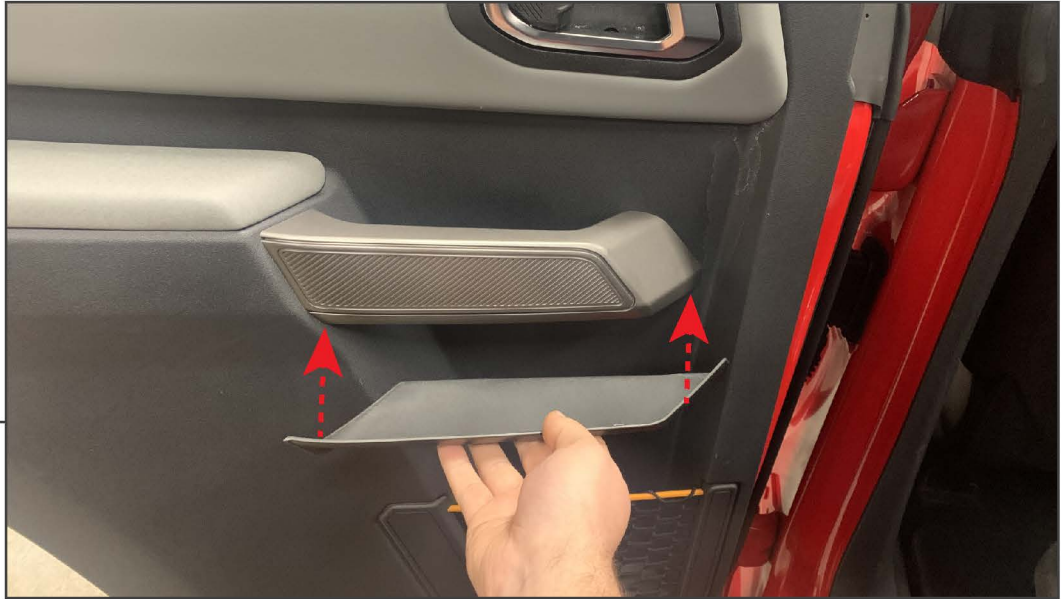

CONTENTS

(1) LH Rear Door Storage Box
(1) RH Rear Door Storage Box

TOOLS REQUIRED

Isopropyl Alcohol
Microfiber Cloth

STEP 1

Familiarize fitment of each panel to the vehicle rear doors. Once familiar with fitment, clean the bottom of the door grab handle using isopropyl alcohol and a microfiber cloth. Allow the door to fully dry.

STEP 2

Peel the red tape backing from the panel, and firmly press the panel to the bottom of the vehicle door grab handle.

Repeat steps 1-2 to the opposite side of the vehicle. Installation is now complete.
