

CENTER CONSOLE LOCK BOX

(2021-2023+ BRONCO)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Lock Box Lid Assembly
- (1) LH Bracket
- (1) RH Bracket
- (4) M4 Nuts
- (4) Phillips Screws
- (1) 7mm Wrench
- (1) Phillips Screwdriver
- (1) Thumb Tack

TOOLS REQUIRED

- 7mm Wrench (Provided)
- Phillips Screwdriver (Provided)
- Thumb Tack (Provided)

STEP 1

Open the vehicle center console lid, and remove all contents. Then, remove the lower center console carpet pad.

STEP 2

Place each lock box mounting bracket into the center console. The brackets are side specific, the rear corners are cutout to form around the center console contours.

STEP 3

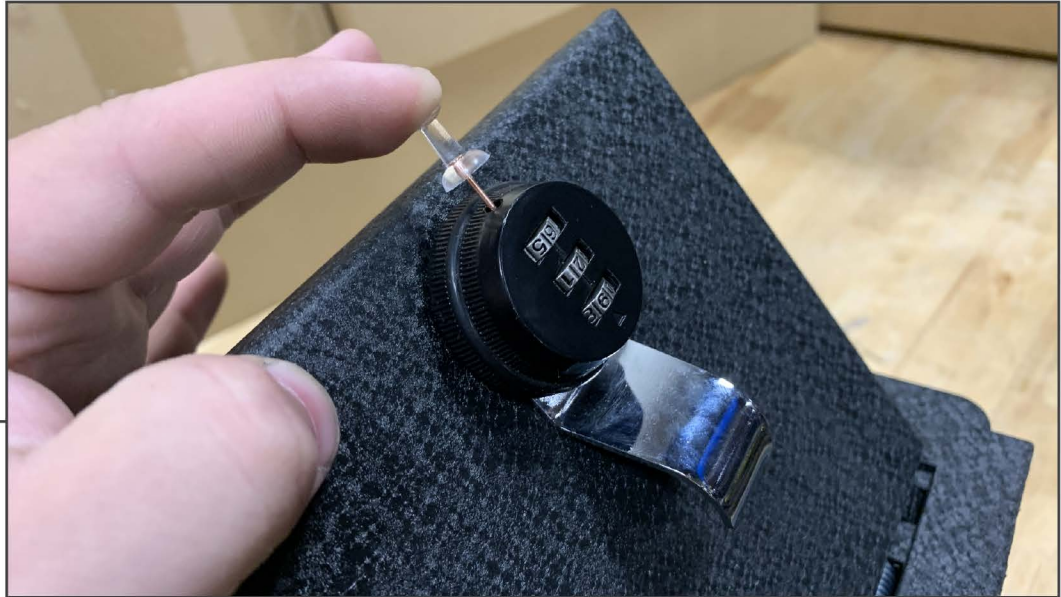

Place the lock box lid assembly studs onto the mounting brackets, ensuring the (4) studs fit through the brackets. Secure the lid assembly to the side mounting brackets using (4) M4 nuts. Tighten until secure using the included wrench.

STEP 4

Secure the mounting brackets to the vehicle center console using the (4) Phillips screws in the pre-drilled holes in the mounting brackets. The screws can be run into the console using the included Phillips screwdriver.

STEP 5

Combination: Open the lock box lid using the combination “000”.

With the lid open, use the included thumb tack to press the button on the side of the knob. With the button pressed, set the desired combination. Once set, remove the thumb tack and re-install the lid to the lock box.

STEP 6

Re-install the center console carpet pad, if desired (trimming may be required for best fit).

Installation is now complete.
