

REAR CARGO LAMP

(2021-2023+ BRONCO)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Cargo Lamp
- (1) Adhesion Promoter Pad
- (1) Alcohol Prep Pad

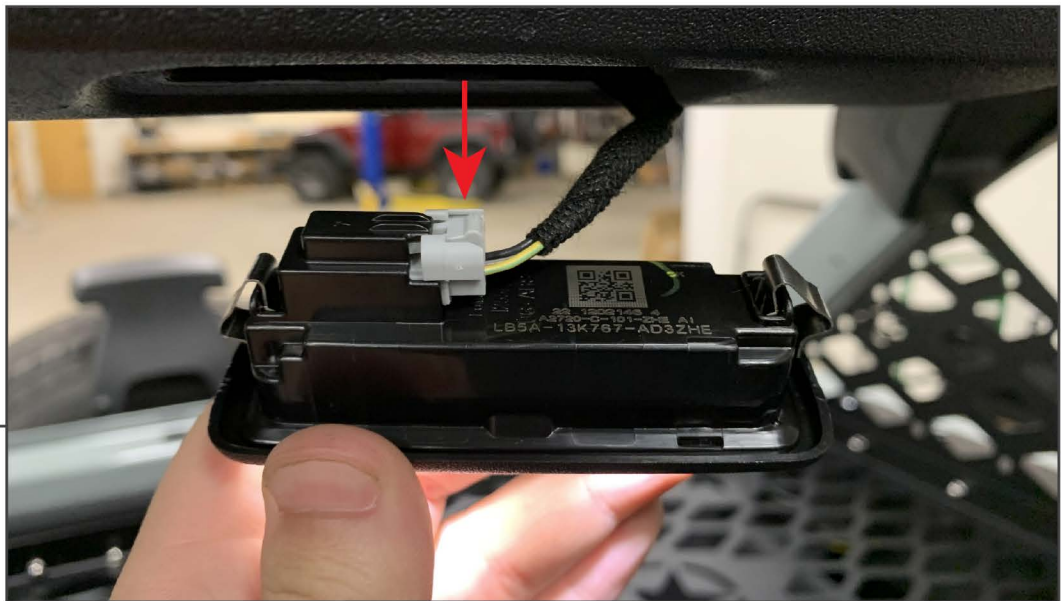

TOOLS REQUIRED

Small Pry Tool

STEP 1

Locate the rear seat/cargo area light in the vehicle roll bar. Using a small pry tool, dislodge the light housing from the vehicle.

STEP 2

Press the electrical connector tab to disconnect the vehicle light from the harness.

Clean the vehicle roll bar panel using the (1) alcohol prep pad and allow to fully dry. Then, clean the vehicle roll bar panel using the (1) adhesion promoter pad and allow to fully dry.

STEP 3

Peel the red tape backing from the double sided tape attached to the light assembly. Then, plug the light into the vehicle harness, and press the assembly into the light cutout in the panel until both metal tabs click into place. Firmly press the tape into the roll bar panel to ensure proper adhesion.

STEP 4

Installation is now complete.
