

ROLL BAR STORAGE BAGS

(2021-2023+ BRONCO - 4 DOOR)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) LH Storage Bag
(1) RH Storage Bag

TOOLS REQUIRED

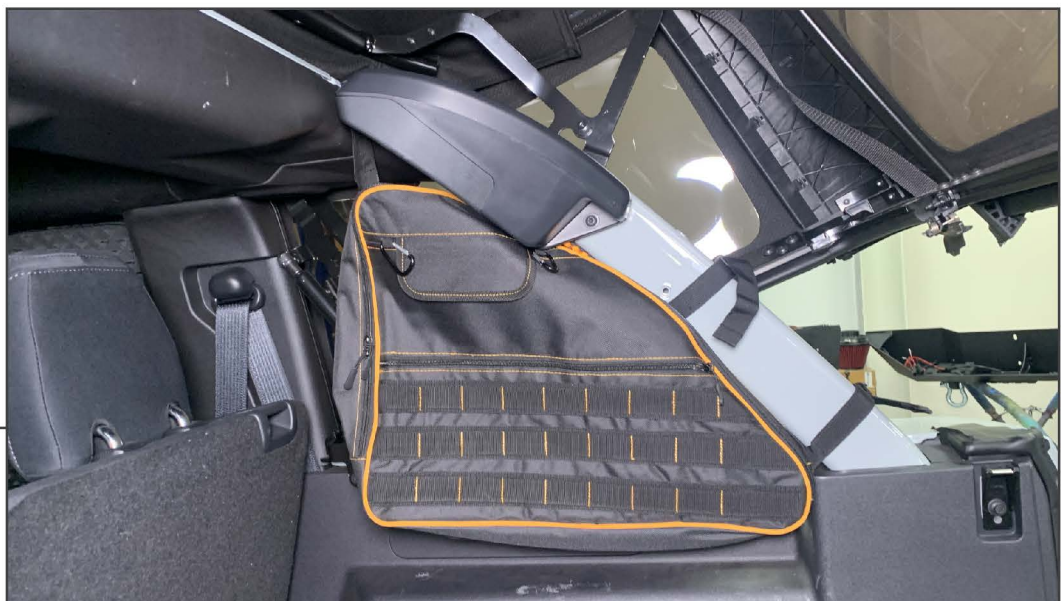

N/A

STEP 1

Open the vehicle tailgate to access the cargo area. Locate the vehicle roll bars. Unclip the (3) straps attached to the bag.

Route the straps around the vehicle roll bar. For vehicles with the rollbar speakers, carefully route the top strap around the speaker enclosure to ensure the strap is against the roll bar.

STEP 2

Clip the straps together around the rollbar, and tighten the straps evenly until secure.

Repeat steps 1-2 for the remaining storage bag. Installation is now complete.
