SKU # J134464

**STEP 1**

Begin by opening the tailgate and removing the tailgate hinge bolts using a T-27 Torx socket.

**STEP 2**

Position the tailgate mounting pad behind the tailgate hinge and install the factory bolts.

**STEP 3**

Using masking tape, hold the mounting pad against the tailgate.

**STEP 4**

Mark the hole locations. Drill the hole to  $1\frac{1}{32}$ " and install the rivnuts. Secure the mounting pad to the tailgate using the provided Allen bolts. Tighten with a 4mm Allen wrench. Then mount the storage bags as desired. Installation is now complete.
