INSTALLATION INSTRUCTIONS

## CONTENTS

---

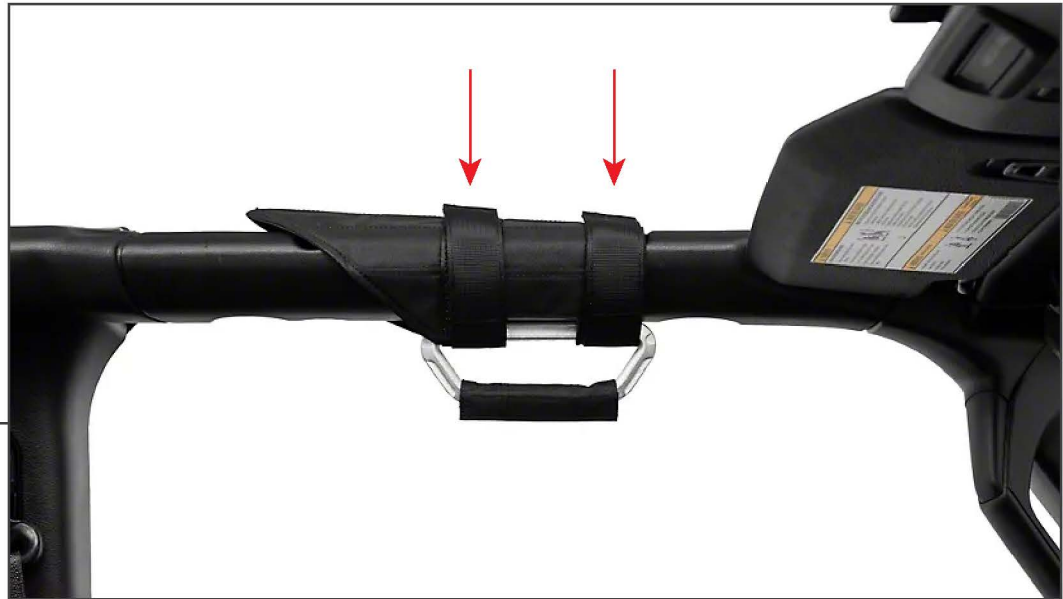

(1) Grab Handle Set

## TOOLS REQUIRED

---

N/A

SKU # J134474 / J134480

## STEP 1

Wrap each grab handle strap around the vehicle roll bar. Pull the Velcro strap through the clip, and pull the strap tight. Fold the Velcro over to meet the Velcro together.

Note: Ensure the grab handle straps are not around any moving components.

## STEP 2

Repeat Step 1 for all remaining grab handles.

Installation is now complete.
