

# HD DEAD PEDAL - DRIVER SIDE

(1997-2006 Wrangler TJ)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

---

- (1) Dead Pedal
- (5) Self-Tapping Screws

### TOOLS REQUIRED

---

Drill

SKU # J138784

**STEP 1**

Position the pedal on the left side. Position the pedal for best fit/driver comfort.

**STEP 2**

Using a drill, screw the self-tapping screw through the vehicles sheet metal to secure the pedal to the vehicle.
