

REAR CARGO NET DIVIDER

(2007-2018 WRANGLER JK 4 DOOR)

(2018-2025+ WRANGLER JL 4 DOOR)

INSTALLATION INSTRUCTIONS

CONTENTS

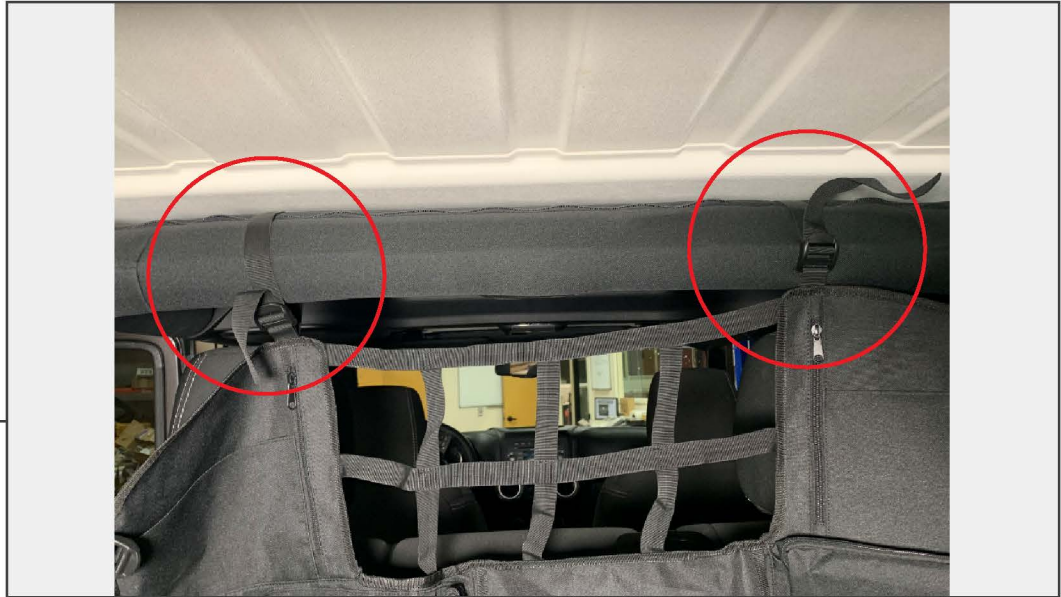

- (1) Storage System
- (2) Clips

TOOLS REQUIRED

T-40 Torx Socket

SKU # J140385

STEP 1

Using the (2) top straps, attach the storage system to the top roll bar on the vehicle. Do not tighten straps.

STEP 2

Using the corner straps, attach the corners to the roll bar on the vehicle. Do not tighten these straps.

STEP 3

Remove (1) T-40 Torx bolt from each side of the vehicle. Place the provided clip onto the bolt, then refasten the bolt into the vehicle.

STEP 4

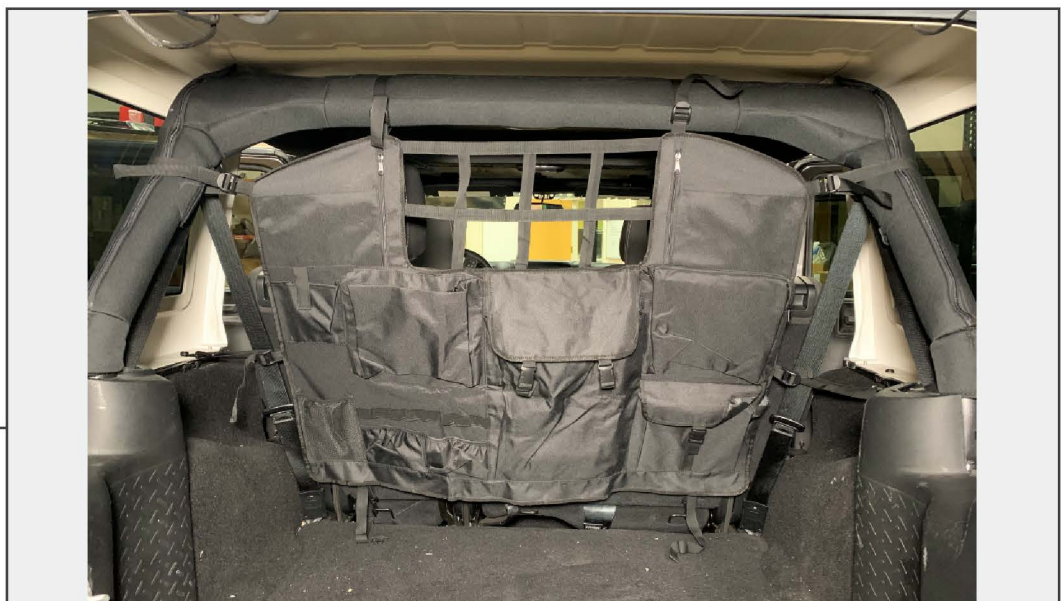

Clip the side hook straps into the previously fastened clips. Do not tighten these straps.

STEP 5

Clip the bottom hook straps into the anchor point on the base of the rear seat.

STEP 6

Tighten all storage system straps evenly.

Installation is now complete.
