(1) Cab Cover

TOOLS REQUIRED

Exterior Detailer

SKU # J142006

STEP 1

Clean the exterior of the vehicle to prevent vehicle scratches.

STEP 2

Drape the cab cover over the vehicle, making sure the mirror flaps are towards the front of the vehicle.

STEP 3

Pull the cab cover over the entire cab. Pull the sides over the mirrors and down the doors. Make sure the cab cover is even on all sides.

STEP 4

Using the (10) attached elastic hooks, attach the cover to a suitable location under the vehicle.

Installation is now complete.
