(1) RH Side Cowl Armor

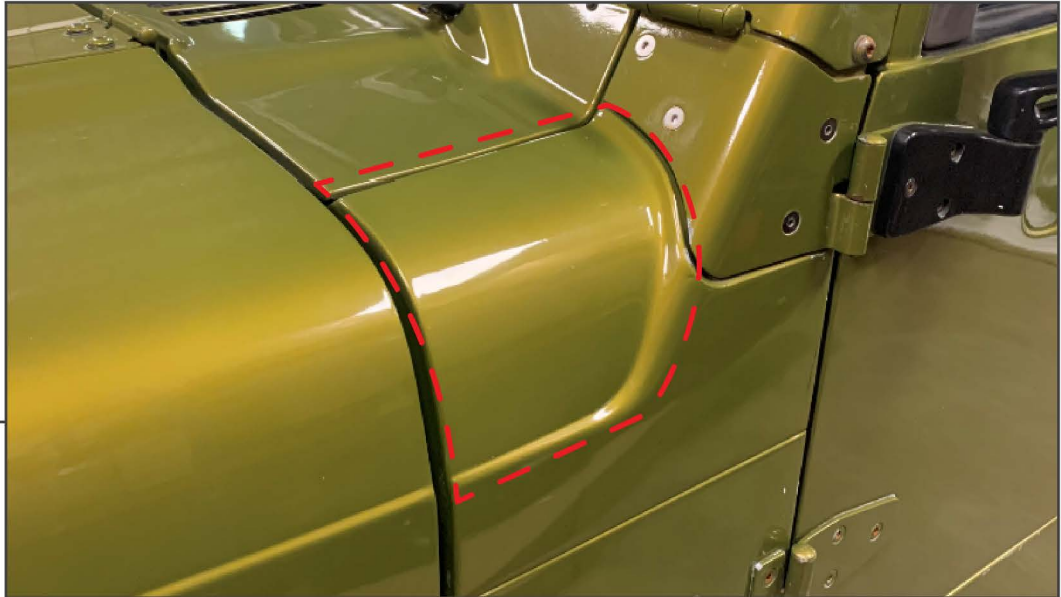

### TOOLS REQUIRED

---

Isopropyl Alcohol  
Microfiber Cloth

SKU # J146289

**STEP 1**

Clean the cowl area of the vehicle using isopropyl alcohol and a microfiber cloth. Align the cowl armor to the vehicle to familiarize the orientation for installation.

**STEP 2**

Peel back the red tape backing on the cowl armor.

**STEP 3**

Align and adhere the cowl armor to the vehicle. Press firmly on the perimeter of the armor to ensure proper tape adhesion.

**STEP 4**

Repeat steps 1-3 to the opposite side of the vehicle.

Installation is now complete.
