INSTALLATION INSTRUCTIONS

CONTENTS

(2) Front Door Sill Entry Guards

TOOLS REQUIRED

Isopropyl Alcohol
Microfiber Cloth

SKU # J150582-JL

STEP 1

Clean the door sill with isopropyl alcohol and a microfiber cloth. Ensure the door sill is dry.

STEP 2

Peel the tape backing from the double sided tape. Align and apply the door sill guard to the vehicle. Firmly press down on the door sill guard to ensure proper adhesion. Repeat this procedure for the remaining door sill entry guard.

Installation is now complete.
