INSTALLATION INSTRUCTIONS

CONTENTS

(2) LH Door Handle Covers
(2) RH Door Handle Covers

TOOLS REQUIRED

Isopropyl Alcohol
Microfiber Cloth

SKU # J152397

STEP 1

Clean the interior door handle trim using isopropyl alcohol and a microfiber cloth. Ensure the trim panel is dry.

STEP 2

Peel back the tape backing on the double sided tape. Align and adhere the door handle cover to the interior door handle trim. Firmly press the cover into place. Repeat this procedure to the remaining door handle covers.

Installation is now complete.
