Exterior Detailer

SKU # J163314

**STEP 1**

Clean the exterior of the vehicle to prevent vehicle scratches.

**STEP 2**

Drape the cab cover over the vehicle, making sure the mirror flaps are towards the front of the vehicle.

## STEP 3

Pull the cab cover over the entire cab. Pull the sides over the mirrors and down the doors. Make sure the cab cover is even on all sides.

## STEP 4

Using the (6) attached elastic hooks, attach the cover to the frame of the vehicle.

Installation is now complete.
