INSTALLATION INSTRUCTIONS

CONTENTS

(1) Key Fob Case
(1) Allen Key

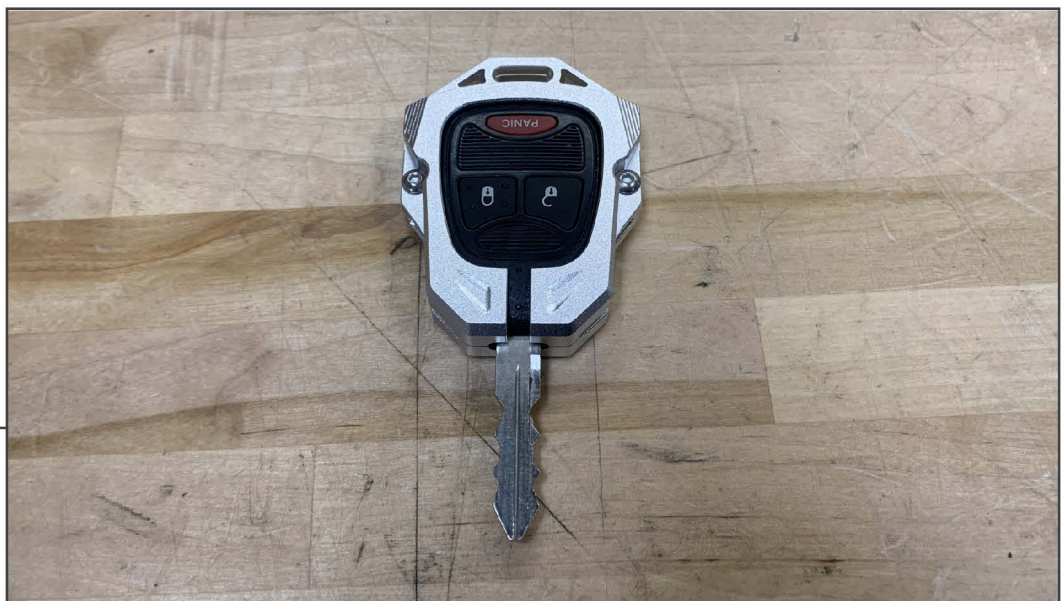

TOOLS REQUIRED

Allen Key (Provided)

STEP 1

Remove the (2) Allen bolts from the key fob case using the included Allen Key. Allow the (2) halves of the case to separate.

STEP 2

Remove any key rings from the vehicle key fob. Place the (2) key fob case halves around the vehicle key fob. Re-install the key fob case Allen bolts and tighten until secure. Install any key rings to the lower key ring cutout.

Installation is now complete.
