

# GRILLE INSERT - RED LINE

(2007-2018 WRANGLER JK)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

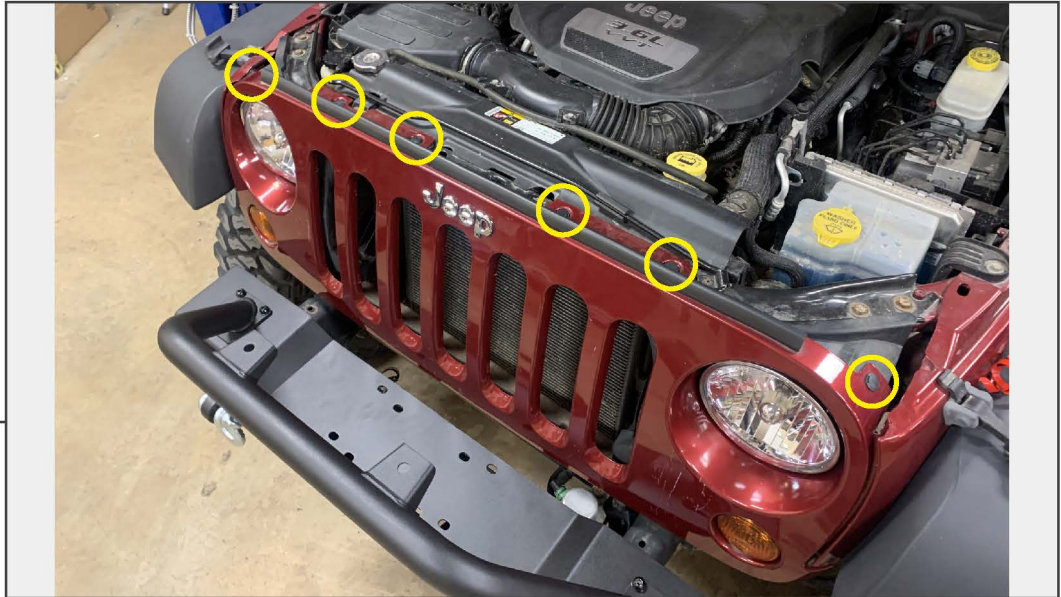

---

(1) Grille Insert

### TOOLS REQUIRED

---

Panel Removal Tool

**STEP 1**

Remove (6) plastic push clips from the top of the grille using a panel removal tool.

**STEP 2**

Pull the top of the grille away from the radiator support enough to fit the grille insert behind the vehicle grille.

Re-align the grille to the radiator support and install the (6) plastic push clips into the grille. Installation is now complete.
