

LED INTERIOR BULB

(1997-2006 WRANGLER TJ)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) Interior Dome Light Bulb

TOOLS REQUIRED

Pry Tool / Flathead Screwdriver

SKU: J166735

STEP 1

Gently remove the dome light cover using a pry tool/flathead screwdriver.

STEP 2

Remove the original light bulbs from the dome light. Install and test the dome light to ensure proper functionality. Re-install the dome light cover to the vehicle.

Installation is now complete.
