

HEADLIGHTS

SKU # AMJPCC00101

Product Installation Instructions

Fits 2018-2023 Jeep Wrangler JL & Gladiator JT

STEP 1

Remove the grille first.
Remove the screws securing the headlight.

STEP 2

Unplug the wiring harness, and remove the original headlight from the vehicle.

STEP 3

Plug the new headlight harness into the original wire harness.

STEP 3

Simply do the removal steps in reverse to reinstall the new headlights.

STEP 4

Do the same on the other side to complete the headlights installation.
