

LED FENDER VENT COURTESY LIGHT

(2018-2022+ WRANGLER JL)

(2020-2022+ GLADIATOR JT)

INSTALLATION INSTRUCTIONS

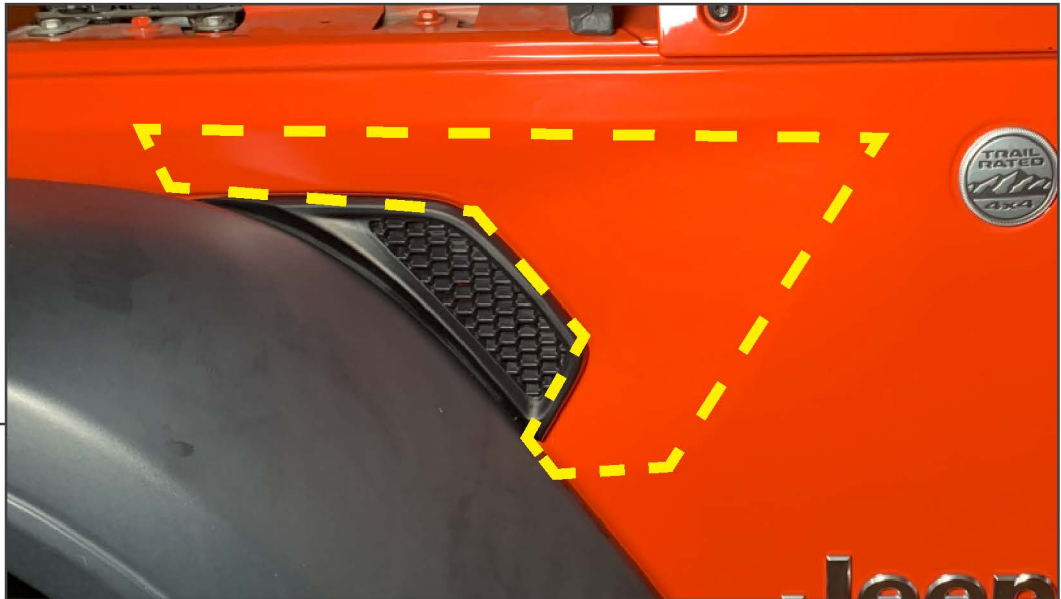

CONTENTS

- (1) LH Fender Vent Light
- (1) RH Fender Vent Light
- (2) Adhesion Promoter Pads
- (6) Scotchlok Connectors

TOOLS REQUIRED

- Plastic Pry Tool
- 10mm Wrench

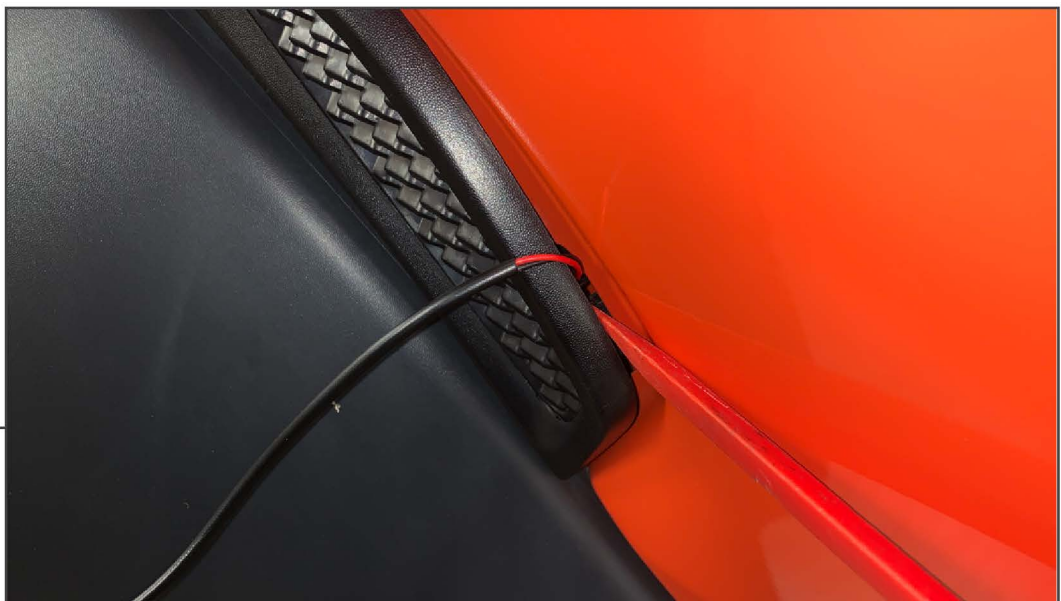

STEP 1

Clean the vehicle fender using the provided adhesion promoter pads along the indicated area.

Repeat this procedure to the opposite side fender light.

STEP 2

Using a plastic pry tool, pry back on the vehicle accent trim enough to insert the vent light wiring to the engine bay.

Repeat this procedure to the opposite side fender light.
