STEP 1

Clean the vehicle corner using the included (2) alcohol prep pads, and allow to fully dry. Once dry, clean the vehicle corner using the included (2) adhesion promoter pads, and allow to fully dry.

Prior to peeling the red tape backing, test fit the part to the vehicle to familiarize fitment.

STEP 2

Peel the red tape backing from the corner guard, and adhere the corner guard to the vehicle. Apply firm, even pressure to the corner guard to ensure proper adhesion.

Repeat steps 1-2 to install the remaining corner guard. Installation is now complete.
