

GRILLE INSERTS

(2007-2018 WRANGLER JK)

INSTALLATION INSTRUCTIONS

CONTENTS

(7) Grille Inserts

TOOLS REQUIRED

Isopropyl Alcohol
Microfiber Cloth

SKU # J184712

STEP 1

Clean the surface of the grille using isopropyl alcohol and a microfiber cloth, and allow to fully dry.

STEP 2

Familiarize the form of the grille inserts. The smaller end goes along the top of the grille. Test fit the inserts before removing the tape backing.

STEP 3

Peel off the film of the double sided tape along all the grille inserts. Press one grille insert at a time into the grille. Press firmly to ensure the insert is attached to the grille.

STEP 4

Installation is now complete.
