

ALL WEATHER CAR COVER

(2007-2018 WRANGLER JK - 4-DOOR)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) All Weather Car Cover

TOOLS REQUIRED

Adjustable Wrench
Exterior Cleaner (Optional)

SKU # J211779

STEP 1

Clean vehicle. Remove vehicle antenna using an adjustable wrench.

STEP 2

Lay the cover out to find the (2) straps. Unclip (2) buckles on the straps located under the cover. Locate front of cover - look for sticker that points front.

The arrow will point forward away from vehicle when cover is installed.

STEP 3

Loosely fit the cover over the vehicle, then fit each corner to the vehicle. Once fully fitted, using the (2) straps, buckle the straps together on each side and tighten into place.

Installation is now complete.
