INSTALLATION INSTRUCTIONS

CONTENTS

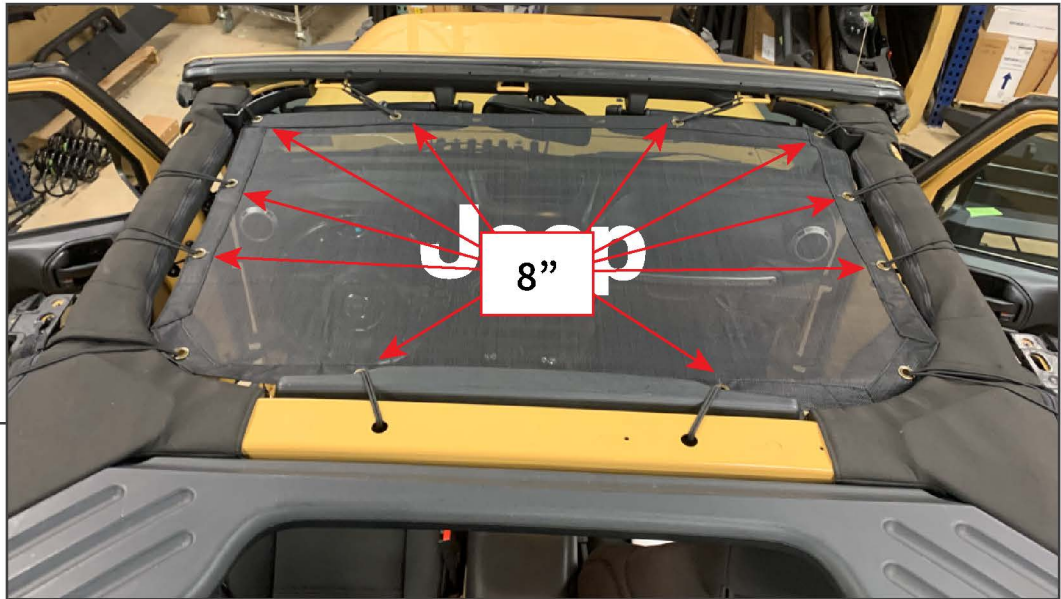

(1) Front Mesh Sun Shade
(1) Rear Mesh Sun Shade
(20) 8" Elastic Bands
(4) 14" Elastic Bands

TOOLS REQUIRED

N/A

SKU # J211781

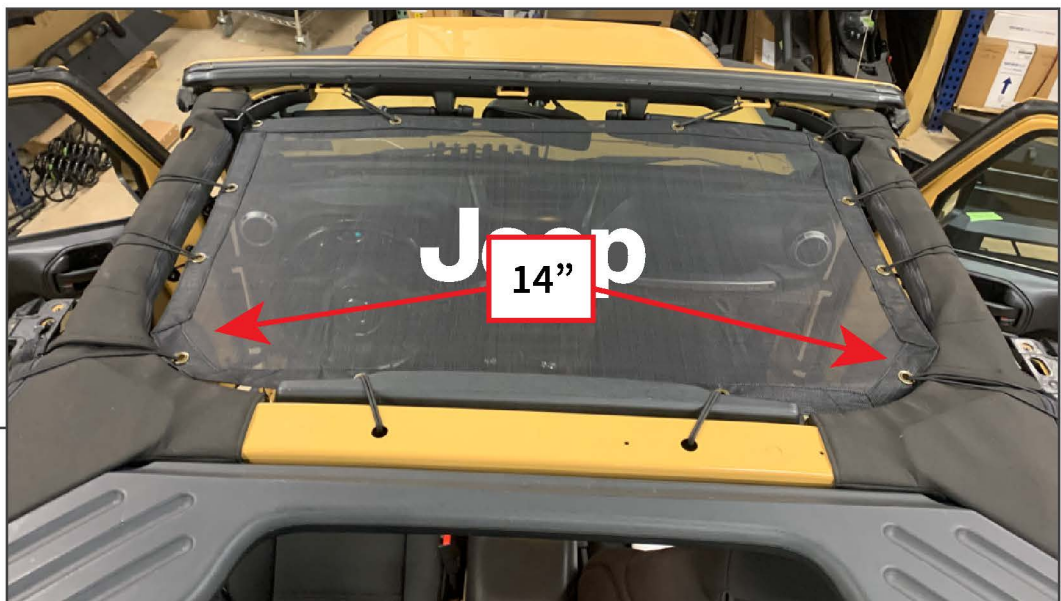

**STEP 1
(FRONT)**

Using (10) 8" elastic bands, install the front sun shade to the vehicle roll bars.

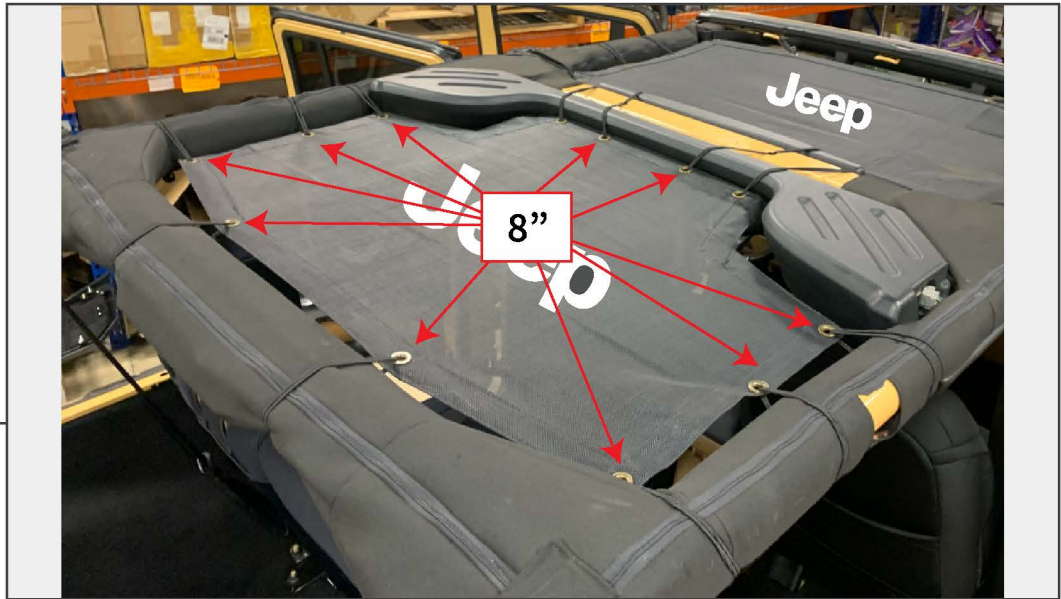

Note: The rear (2) elastic bands route through the hard top mounting point holes in the roll bar.

**STEP 2
(FRONT)**

Using (2) 14" elastic bands, install the rear corners of the mesh top to the vehicle roll bar corners.

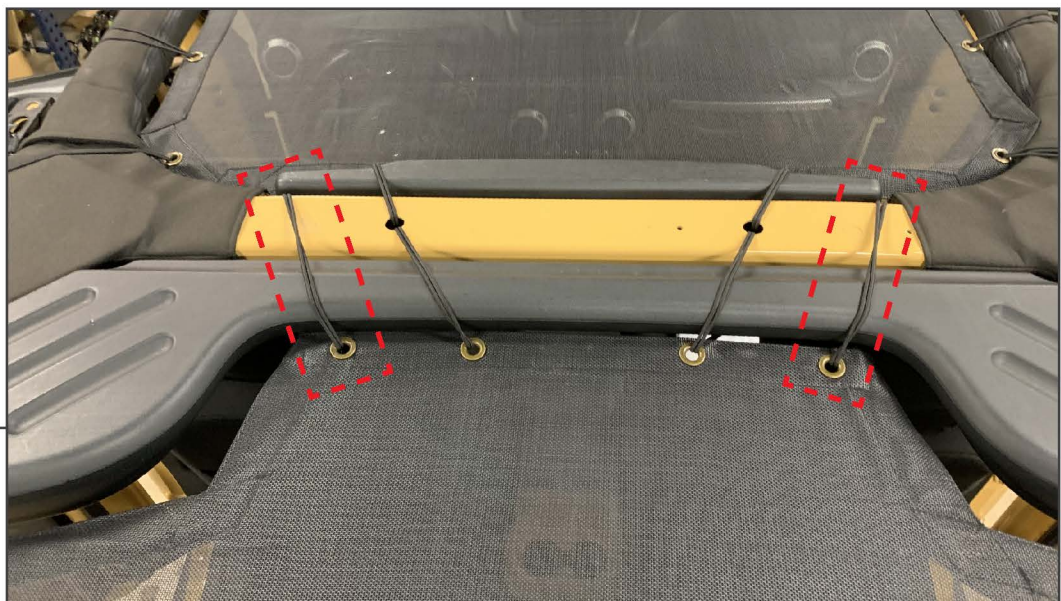

**STEP 3
(REAR)**

Using (10) 8" elastic bands, install the rear sun shade to the vehicle roll bars.

Note: The front (2) elastic bands route through the hard top mounting point holes in the roll bar.

**STEP 4
(REAR)**

Using (2) 14" elastic bands, install the front inner corners of the mesh top to the vehicle roll bar.

STEP 5

Installation is now complete.
