

ABS TAIL LIGHT GUARDS

(2018-2024+ WRANGLER JL - WITH HALOGEN TAIL LIGHTS)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) LH Tail Light Guard
- (1) RH Tail Light Guard
- (2) Prep Pads

TOOLS REQUIRED

- Exterior Detailer
- Microfiber Cloth

STEP 1

Clean the vehicle tail light using exterior detailer. Then, test fit the tail light cover to the vehicle to familiarize fitment and double sided tape mounting.

Once familiar with fitment, clean the outer perimeter of the tail light housing using (1) prep pad.

STEP 2

Peel the red tape backing from the tail light guard, and firmly press the guard onto the vehicle tail light to ensure proper tape engagement.

Repeat steps 1-2 for the remaining tail light guard.

Installation is now complete.
