

Installation Guide

Armor Grille
For 2018-2023 Jeep Wrangler JL

SKU # AMJPCA00125 & AMJPCA00128 & AMJPCA00129

STEP 1

Open the hood,remove 6 push clips at the top of the grille,then pull the two lower corners to release clips and remove the grille.

STEP 2

Install 8 retaining clips in the appropriate position on the back of the grille.

STEP 3

Fixed the bracket with the screws on both sides. If your car is equipped with a camera, please remove the cover plate on the new grille and install the camera bracket. (There is a camera bracket included in the accessories)

STEP 4

Align the grille to the car and get the retainer clips in the right position.Apply the supplied weather stripping across the top of the grille.

STEP 5

Open the fuse box,connect the red wire to the ACC, the black wire to the negative terminal.

STEP 6

Follow the step 1 in reverse order to install the grille to complete the installation.
