(2020+ GLADIATOR JT)

INSTALLATION INSTRUCTIONS

CONTENTS

(1) LH Side Marker
(1) RH Side Marker

TOOLS REQUIRED

T-30 Torx Key

SKU: J170484

STEP 1

In between the inner and outer fender, remove (1) T-30 Torx bolt. Unplug the side marker light.

STEP 2

Install the LED side marker lens to the fender, and secure into place using the original T-30 Torx bolt. Tighten until secure. Plug in the electrical connector to the vehicle harness.

Installation is now complete.
