

LICENSE PLATE BOTTLE OPENER

(Universal Fitment)

INSTALLATION INSTRUCTIONS

CONTENTS

- (1) Bottle Opener
- (1) Washer
- (1) License Plate Screw

TOOLS REQUIRED

- Flathead Screwdriver
- Phillips Screwdriver

SKU #J132514/JG1991

STEP 1

Remove (1) of the license plate screws using a flathead screwdriver.

STEP 2

Install bottle opener to the license plate using provided washer and phillips screw. Align bottle opener, then insert washer inside bottle opener. Install provided Phillips screw to secure bottle opener and license plate to the bumper.

Installation is complete.
