INSTALLATION INSTRUCTIONS

CONTENTS

(1) Freedom Panel Storage Bag

TOOLS REQUIRED

Exterior Detailer (Optional)

SKU # JG5106

STEP 1

Loosen the adjustable strap closest to the zipper. Unzip the bag to allow an opening for the freedom panels.

STEP 2

Insert one freedom panel at a time into the bag. Face the painted portion of the freedom panel (outside of the vehicle) towards the inside of the bag.

STEP 3

Align the felt separator between the freedom panels to prevent damage. Insert the second freedom panel.

STEP 4

Zip the bag closed, tighten the adjustable strap. Store freedom panels in a safe location.

Installation is now complete.
