TOOLS REQUIRED

N/A

STEP 1

Clean the vehicle touch screen using the included alcohol prep pads, and allow the screen to fully dry.

Pull the green sticker to remove the adhesive backing from the screen protector.

STEP 2

Center the screen protector to the vehicle screen, and gently work from one side towards the other to adhere the screen protector. Push out any air bubbles under the screen, if necessary.

Remove the blue protector by pulling the pink sticker.

Installation is now complete.
