

REAR BED MAT

(2022-2025+ TUNDRA - WITH 5.5' BED)

INSTALLATION INSTRUCTIONS

CONTENTS

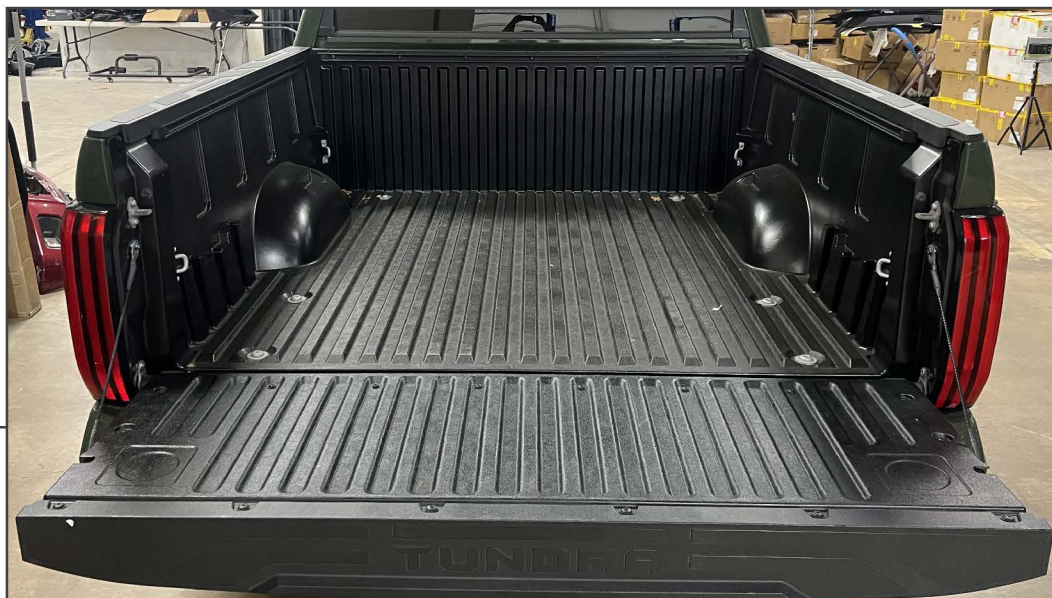

(1) Bed Mat

TOOLS REQUIRED

Exterior Detailer

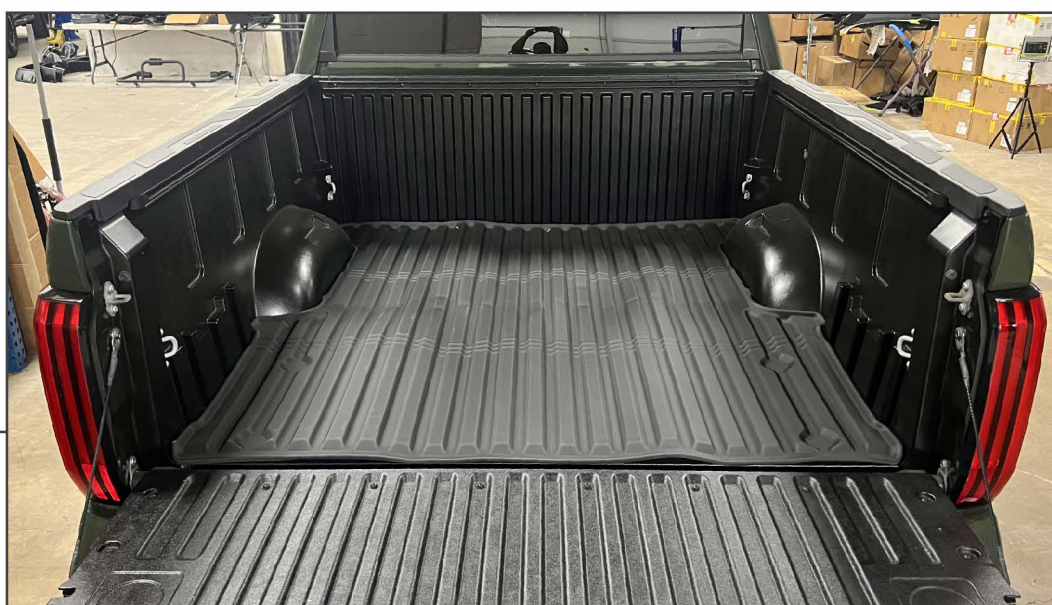

STEP 1

Empty the bed of all contents. If desired, clean the inside of the bed using exterior detailer.

STEP 2

Lift the bed mat into the vehicle bed, ensuring the outline of the liner (wheel wells) matches the vehicle bed. Press the bed mat down into place in all areas.

Installation is now complete.
