

# EXTENDED TOWING MIRROR

(UNIVERSAL FITMENT)

---

## INSTALLATION INSTRUCTIONS

### CONTENTS

---

(1) Mirror Assembly

### TOOLS REQUIRED

---

Glass Cleaner (Optional)

SKU # U5455

**STEP 1**

Arrange the mirror assembly arms to wrap around the vehicles mirror.

**STEP 2**

While holding the mirror in place, align the bottom and top arms around housing of the mirror.

**STEP 3**

While holding the mirror in place, pull each strap over the back of the mirror housing. Hook the clip of the strap around the mirror assembly arm.

**STEP 4**

Pull each strap tight to secure the assembly to the vehicle mirror. Adjust mirror to desired location. Installation is now complete.
